

# ST CATHERINE'S HOSPICE

*Caring for someone at the end of their life*

A question and answer session with Nurse Practitioners from St Catherine's Hospice

Join us to discuss issues around caring for your loved one at the end of their lives. What is advance care planning all about? What are the changes that you might expect to see as someone approaches death? What is Do Not Attempt Cardiopulmonary Resuscitation? What happens afterwards – practical issues?

Monday 5 August, 19.30 - 21.00
